Basic Truth: God made me.
Key Question: Who made you?
Bottom Line: God made you.
Memory Verse: I am fearfully and wonderfully made Psalm 139:14

DEAR PARENTS,

August has arrived! As we look forward to the first day of school, we have to remember summer isn't over yet! In July, the children got to show off their American Pride during All American Week and learned how much fun the circus can be with our festive carnival themed days.

They loved becoming scientists in their classrooms. Dinosaur week was an adventure with everything from a

Dinosaurs Egg scientist experiment to tracking dinosaur foot prints throughout the building!

In August, we are learning what we can find around our neighborhood! The children will get to build their own neighborhoods, a bridge, a friendship tree, and learn how to take care of the community they live in. They will learn God made us and we are fearfully and wonderfully made! Psalm 139:14

Important Notice- Day One is **Closed** August 12-14 for Professional Development. First Day of school is August 17.

The Summer Program Team
