Have You Filled a Bucket Today? - Story by Carol McCloud

We have been learning how to get along with our friends by lifting each other up in our thoughts, words, and deeds. In doing so, we help fill up each of our friend's buckets ensuring they are happy. This story is a wonderful extension on teaching the Golden Rule. Ask your child to explain the story to see how much they have remembered.

Bring a Teddy Bear to School – Thursday, September 9th

Thursday the 9th is Teddy Bear Day. We will learn about the history of the day and why bears are named "Teddy". If your child has a small teddy bear, they may bring it to school that day. Please explain to your child that the bears will only be allowed out during the activity; the rest of the time they will remain in the child's cubby. If your child does not have a teddy bear, they may bring another stuffed animal. Thank you!
