Dear Parents,

We had a great November!

The students had fun making their Thanksgiving projects and tree ornaments, reviewing the colors and shapes we have learned so far, and picking up leaves. We also talked about different ways we can be thankful and give thanks to God!

In December, we will be discussing the birth of Jesus and His birthday! We will have lot of fun projects coming home, so please look in the folders!

We have important dates listed on the left hand side, so make sure you check them!

If you are looking for a family friendly worship service, we invite you attend Carols and Bells followed by Christmas Around the World event. It is a service that lets the children be a part of it by singing and ringing lots and lots of bells! More details can be found at www.gdlc.org

Also, we wanted to let you know there will be no preschool only full time students from December 21st through January 1st. DOCA will be closed on December 24th-28th, and again on January 1st.

We look forward to a fun December with your child, and Merry Christmas!

In Christ's name,
Mrs. Jessica and Ms. Brittany
