

September 2021

Dear Parents,

Lions Room # 133

This is going to be a great school year! I have so many hands on activities to share with your children that will help them develop academically, socially and spiritually all while having fun. At the first of each month, you will receive a calendar of activities and a newsletter from me via email. These are posted on our web site at www.dayonechristianacademy.org as well as any additional information related to the school.

Please contact me anytime you have questions or concerns about your child. I believe in teachers and parents collaborating in ways that support the child's learning and developments. Please keep me inform of any significant events in your child's life that might affect their feelings and/or behavior at school. If I am aware of your child's anxiety or excitement, I will be better equipped to help him/her cope with it in classroom activities and with classmates.

Some exciting units await your youngsters. We will begin the year with a unit called "All About Me" where the children will begin to look at themselves in terms of widening their circles of relationships starting with them and extending to the family, home, and neighborhood. The ultimate objective is for them to see all these relationships as a reflection of their relationship with God.

Our classroom is full of engaging toys, manipulatives, art center, and books. The children are very eager to continue the exploration of their new classroom. I will be introducing concepts of colors, shapes and numbers.

Please remember, to restock diapers and wipes and to provide at least three changes of clothes. Many of our adventures take us outside weather permitting. As stated in the Parent Handbook, please send your child to school in closed-toe rubber soled shoes (i. e. tennis shoes). Cowboy boots and flip-flops are not permitted. If you have not already done so, please fill out an authorization form for sunscreen, mosquito repellent, prescribe/non-prescribe medication, and diaper cream/powder. These are available upon request from an office administrator.

Blessings,
Ms. Cher

Dates to Remember

September 6th Day One Christian CLOSED (Labor Day)
