

December 2022

Lions Newsletter

Dear Parents,

Welcome back from the Thanksgiving Holidays. We hope you all had a blessed and enjoyable time with family and friends. As 2022 comes to an end, we reflect on the challenges and the many blessings this year has brought us. We remember all the fun and exciting activities we've enjoyed and look forward to 2023 and what it will bring. In December, we will celebrate the wondrous story of our Savior's birth. The children will begin their exposure to the birth of our Savior with the Advent season and what the Advent candles mean. We will explore the festivities and excitement of the Christmas season.

Along with the holiday, comes the cold weather. It does get cold sometimes in Texas! So, parents, please remember to dress the children accordingly and/or in layers. Label all belongings with their name. We do go outside for fresh air and exercise weather permitting. The weather can change at any time during the day. In addition, toddlers will be toddlers and they spill food and drink on themselves as well as roll around on the playground. So, just in case, please remember to pack a few extra pairs of warm clothes.

This month's curriculum will expose the children to the truth about Christmas through song, stories and sharing. The fruit of the Spirit is Joy. We will learn and practice the attitude of Joy through pictures that show no matter what the situation may be, we should always have joy in our hearts. The color for this month is green and the shape is a star.

D.O.C.A. will be open the 19th through the 22nd and the 28th through the 30th for full time care only. We'll be closed the 23rd, 26th, 27th, and January 2nd for New Year's. Please check at drop off and pick up times for a signup sheet to let us know whether your child will be here. Our prayer is that everyone has a blessed, very Merry Christmas, and a very Happy New Year.
