

Puppies December Newsletter

Dear Parents of Puppies,

The Puppy class has had a wonderful November. We danced with shakers and sang about turkeys and squirrels. We talked about being thankful to God for our families and played outside in the cool fall air. In December, our unit topic is Christmas. Our bible verse is “God loved the world so much that he gave his only Son” [John 3:16.] The fruit of the Spirit is Joy. During Christmas we celebrate Jesus’s birthday by decorating our tree, joyously singing, and dancing to seasonal music. We will enjoy using paint, markers, and glue to make fun Christmas crafts. Be on the lookout for a special gift for our parents. During the holidays, there’s no preschool, only full time students. Day one will be closed December 24th through the 28th.

.
