24 – Parent Chapel at 11am

## DEAR PARENTS,

August has arrived! As we look forward to the first day of school, we have to remember summer isn't over yet! In July, the children showed off their American Pride during All American Week and learned how much fun the circus can be! The children loved dinosaur week with the themed water play!

In August, we are celebrating the colorful world God has created! The children will have fun learning different ways of creating art while exploring all the different colors.

## WATER DISCOVERY!!!

We will have one last Water Discovery for the summer in August. The Tigers, Lions, Puppies, and Kittens will have their discovery days on August 2 and 3. On their water discovery days, please bring your child to school dressed to play in water and get messy.

They need an extra pair of clothes and a towel. Please make sure all your child's belongings are labeled. Please apply sunscreen and bug spray prior to coming to school.

**\*Important Notice\***- Day One is **Closed** August 10-12 for Professional Development. August 12 from 9-11am, there will be a special Breakfast Bash for you and your child. Also, a wonderful opportunity to meet your child's teacher and see their classroom. First Day of school is August 15.

In His Name,  
The Summer Program Team
