

Zebra Parent Newsletter

Dear Parents,

Happy New Year! I pray that everyone had a safe and happy Christmas! Thank you to all who participated in our special activities, our SCRIP sale, and our Food drive. They were all a success!

We have a lot of exciting activities going on this month! Some of the activities your child can look forward to include ice painting, learning about penguins, and making a snowman.

On Wednesday, January 12th, and Thursday, January 13th, we are having Pajama Days! Please bring your child to school in pajamas (they can wear slippers). However, they need to bring a pair of regular shoes and socks for playground time.

We will celebrate National Lutheran Schools Week from January 24th-January 28th. **Please look for a schedule regarding special dress-up/activity days!** Also, join us for Parent Chapel and lunch on Wednesday, January 19th!

Just a reminder if your child brings a thermos or a sippy cup to school, please help them put it by the sink where they can reach it instead of their cubbies. This helps prevent any leaks or spill on any items inside their cubbies.

God's Blessings,
Mrs. Judy

Classroom News

The children enjoyed taking turns being Mary and Joseph, knocking on doors to see if there was room in the Inn.
